EXPERIENCE THE LUXURY

YOUR HOME ON THE WATER

Welcome to The Abbey Marina—
Your home on the water.

Whether you stay one weekend or every summer, the memories you make here will last a lifetime.

The Abbey Marina, located on the west end of the lake, is a full-service 407-slip facility with the only protected harbor on Geneva Lake. **We take care of everything**, so you can relax and enjoy the lake. While you're here and when you're not, you'll know that your boat is safe and secure.

With its sparkling blue waters, gorgeous shoreline, and fascinating history, Geneva Lake remains a world-class destination for boaters. Dining, shopping, golfing, next to world class spas and resorts - it's all right here. Lake Geneva, named *Newport of the West* and only 90 miles from Chicago, is a popular summer home to many of the rich and famous. It's no surprise that many of them keep their boats at the Abbey Marina.

The efficiency and professionalism of our friendly staff will make you and your boat feel at home. The friendships and experiences will keep you coming back. The memories will last a lifetime.
