Application for Fuel Charging Privileges in the Abbey Harbor

Gordy's is happy to announce that we have recently invested more heavily in that Abbey Harbor with the purchase of more rental slips and the fuel operation. We are excited about being more involved in the harbor and we look forward to helping you, in any way we can, make the most of your boating experience. We believe strongly that the Abbey Harbor is one of the greatest harbors (on one of the greatest lakes) in the country and will be for years to come. We are trying to make the transition as seamless as possible and we would like to continue to offer a "house charging" option for those interested. The "house charge" will allow you to charge your fuel and/or pump out to your account. We hope to offer additional services in the future as well which you will also be able to charge to this account if you so choose. To open an account please fill out the form below and submit back to our staff in the Harbor House, email to ed@gordysboats.com, or mail to Gordy's Marine, PO Box 320, Fontana, WI 53125.

We are also excited to announce that we have hired Ed Snyder Sr. to help us manage our new responsibilities in the Abbey Harbor. Ed and his team of seasonal staff will be at the Harbor House and on the fuel dock 7 days a week from 8am-8pm (seasonally) to help if you have any questions.

Once you have completed this application your account will take 48 hours to activate. Your credit card information will be kept private and locked in a secure file; the only people that will have access to the account information will be management personnel. The business name that you will see on your credit card statement is Abbey Marina G, LLC.

Thank you,

Gordy's Crew
